

Cruise Ship Tourism Petition for Placencia, Belize

We, the undersigned, are residents of Placencia Village, Belize. We oppose cruise ship tourism in Placencia Village because it will crowd out our overnight tourism, damage our environment, increase crime, destroy locally owned businesses and will result in the loss of local control. *(If you would like to sign, but do not live in Placencia Village (from Sunset Pointe to the southern edge of Robert's Grove), you can, but please add where you live after your signature.)*
